

Twos News!

January 2012

Thank You!

We would like to thank you for all the special gifts given to us by our students and their families for Christmas. They are all simply precious to us!

Theme

During the month of January, we will be learning about David and how God looks at what is truly in our hearts. Some of the lessons will tell the children about David and Goliath, while other lessons will go over David the King. The children will also learn about "royalty" from a Biblical perspective.

We will also be learning about the number 7, the color green, the letters K & L, reviewing shapes, and the importance of exercising.

Monthly Special Child

This month, our special child will be Sutter! Please come and check out his cool artwork!

Reminder

A reminder to bring cold weather clothing, including snow pants and boots, for your child when there is snow as we do go outside on nicer days.

Supply Donations

We are in need of plastic shopping bags (from Pick 'N Save, Walmart, etc). If you have extra at home, please feel free to bring some in for us! Also, we are looking for empty Kleenex boxes to use for Valentine's containers next month.

Weekly Devotion with Pastor Schmidt

Every Monday, Pastor Schmidt is visiting the Two-Year-Old classroom for a short devotion and Bible lesson. We appreciate him coming down to share God's Word with us every week.

Happy New Year to all of our families!

Mrs. Sand and Mrs. Loescher
