

Children of Christ Childcare Center

Menomonee Falls and Germantown, WI

The Children of Christ Childcare Center provides an educational, fun, and safe environment with lessons and activities based on the Bible's teachings of Jesus' love for people of every age and nationality. Our center is a branch of Bethlehem Ev. Lutheran Church's ministry, which is associated with the Wisconsin Evangelical Lutheran Synod (WELS). The WELS ministry is centered on a common faith in Jesus Christ which we share with neighbors in the community and throughout the world. The Children of Christ Childcare Center serves the community and Bethlehem Lutheran School by providing affordable, quality Christian childcare for children beginning at the age of two and going up through age twelve during the summer and 8th grade during the school year. We have four different types of childcare programs available: Two-Year-Old Childcare, Preschool-Age Childcare, Before and After School Childcare, and Summer Childcare. Each childcare program includes daily devotions, thematic learning centers, socialization and language building activities, art projects, games and music.

The Children of Christ Childcare Center is located within Bethlehem Lutheran School. The school operates at two campuses, one is located in Germantown and the other is located in Menomonee Falls. The hours of operation for both centers are 7:00 am – 5:30 pm. At the Germantown campus, we have preschool-age childcare, before and after school childcare, and summer childcare. Our Menomonee Falls campus is home to our two-year-old childcare program, before and after school childcare, and summer childcare. Both of our centers offer a secure, age-appropriate outdoor play area, as well as an outdoor playground. Our after school childcare programs at both campuses offer homework assistance to school-age children. During the school year, piano lessons are offered at the Menomonee Falls campus for an additional fee. Also, during the school year there is a free shuttle service that runs between the Menomonee Falls and Germantown campuses for children who are 4-years of age or older.

Our summer childcare program is available at both campuses. Every summer, we plan our program around a different theme and the theme is carried through to our daily devotions, art projects, and activities. In addition, we plan weekly field trips for children who are preschool-age and older and we participate in Bethlehem Lutheran Church's Summer Bible Camp.

The Children of Christ Childcare Center has a dedicated staff that is trained to care for and educate your child. The staff members are all Wisconsin Evangelical Lutheran members who are certified in adult and child CPR and first aid. In addition, we have state certified childcare teachers, as well as a former pediatric nurse on staff. When staffing the programs, we staff by a 1:4 teacher to child ratio for the Two-Year-Old program and a 1:10 teacher to child ratio for the preschool-age and older programs.

Childcare Rates
