Dear Hearers of the Word:

“Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock” Matthew 7:24. The Holy Spirit has built us on a rock-solid foundation, Jesus Christ. As His own we not only want to listen to the Master Architect and Builder, we also want to put His plans into action. His action plan will keep us from falling down even though we will encounter many stormy periods in this life on earth. It is the storms we go through that can give us opportunity to share He who is the Builder in our life with the prayer He will build the lives of others on the same foundation we have been given. This is where our role picks up as we continue to remind and encourage our fellow faith brothers and sisters what we are called and still in existence to do...be God’s witnesses through word of mouth, through cheerful support of work done in His name, and above all, by the Spirit’s doing, by trusting in Him always. God bless your hearing of His Word and the response to it that He works in you.
