

Mission Prayers March 2006

You are encouraged to include these prayers
in your weekly worship services.

March 5

Lord God, we pray today for our world missionaries serving in Zambia, Africa. Give them the wisdom they need to discover the best methods of reaching the African people with your Word of life. Continue to protect them and strengthen them for the ministry challenges they will face as they lead the national church in Zambia to become indigenous.

March 12

Lord, we thank you for the blessings you have showered upon our mission outreach in Cameroon, Africa, and especially upon our lay couples, Ron & Mollie Stelljes and Jim and Ginger Schlote, who are serving there. Continue to bless their work. Through the faithful use of the Means of Grace, give them many opportunities to touch more lives with the Gospel of Jesus Christ. If it be your will, we pray that the vacancy for a missionary there would be filled as soon as possible.

March 19

Holy Spirit, as we continue this month to pray for our mission work in Africa, we pray today for the Central Africa Medical Mission whose presence and work in both Zambia and Malawi is supporting the Gospel ministry of our missionaries and providing opportunities to reach more people for Christ. Bless the work of our Health Director, Jason Paltzer, and nurses Jean Redford, Alycia Liesener, and Kim Leyrer. Keep them strong in faith. Give them joy in service to you. Remind them continually of your abiding presence so that they never become discouraged.

March 26

O Savior Jesus, we come to you today with thanks for the blessings you have poured out on the work of WELS-Canada and our pastors who serve in that country. We ask for your continued blessings as they share the Gospel message with those who are without Christ. Grant them energy and zeal to continue to carry out the work you have entrusted to them. We realize that the need of human hearts is the same in Canada as it is here in the United States. Through your Word, crush the resistance of Satan and the sinful natures of people, so that souls are reached with the only message of eternal life through Jesus our Savior.
