**Russia, Brazil, and Hmong Outreach**

**July 2**

Lord and Ruler of all history, on this weekend that we celebrate the freedoms that we enjoy as Americans, we especially thank you for the spiritual freedom that you have given us through your Son. Use us and our missionaries to spread the good news of Jesus so that many more can be set free from the tyranny of sin.

**July 9**

Lord of Life, we pray for Maria Sullivan, the wife of one of our Missionaries to Russia, Pastor John Sullivan. She has returned to the United States because of continuing health problems. We pray that you would enable the doctors to properly diagnose and treat her so that she may keep serving you faithfully.

**July 16**

Oh Source of all truth, bless the discussions of our Russian missionaries with Birth of Christ Lutheran Church in Voronezh. We pray that you would lead that congregation into doctrinal unity with us and full fellowship so that together we may proclaim your precious truths to more and more souls.

**July 23**

Lord of the Church, we pray that you would be with the Brazilian men who are being trained by our missionaries. The desire to serve you is there, but the funding to continue their training is running out. Move the hearts of WELS members everywhere to give generous mission offerings so that our work in Brazil and throughout the world may continue.

**July 30**

God of all grace, we pray for Paul Thao who continues his studies for the public ministry at St. Paul in Appleton, Wisconsin. He is on pace to graduate in 2007. We thank you for bringing him to faith in your Son and moving him to serve you full-time. Bless him and use him as your instrument to bring the saving gospel to his fellow Hmong.
