

Women In Christ

The purpose of WIC is primarily a spiritual one. WIC is interested in a clearer understanding of the doctrines of Holy Scripture and then to apply them to everyday life.

WIC's interests are in learning about the work of the church and serving the Kingdom of God in a material and spiritual way. This includes working for the welfare of the congregation and synod, wherever possible. WIC shall at all time be guided by the counsel of the pastor and church council of Bethlehem Evangelical Church.
