

# CHILD CARE COURIER

October 2018 Edition

## NEW CODE

Effective Monday, 11/5 the new entry code for child care and preschool will change. Details will be sent out. Please remember that this code is for adult use only, and not to be shared with your children.

## COLD WEATHER IS HERE!

Cold Weather Attire - Please be sure to send updated labeled seasonal clothing changes for your child/ren, if you have not yet done so. Also, weather permitting, we take all children (mobiles on up) outside daily.

Please be sure to have LABELED warm coats, hats, mittens, etc. at child care for your child/ren each day. The temperature varies and is typically colder/windier in the play yards than what the forecast says, based on the time of day the kiddos go outside - please keep this in mind.

Your child/ren will appreciate it!!!

## ILLNESS POLICY UPDATE

Bethlehem Lutheran Child Care understands that it is difficult for a parent/guardian to leave or miss work. Mild illness is common among young children and we will try to keep your child comfortable throughout the day. However, there are times when your child may be ill and may not attend Bethlehem Lutheran Child Care. If your child appears ill or if your child develops a low-grade fever (98-100.9F) while attendance, we will contact you. If a fever reaches 101F or higher or if other symptoms of illness appear, you will be required to pick up your child immediately.

If your child does not have a fever or other overt symptoms of illness, but displays significant behavior changes and is clearly uncomfortable and not able to participate in center activities, you will be notified and required to pick your child up immediately.
