School Year Registration Fee = \$65.00/family

(charged once at the beginning of each school year)

*** The School Age weekly, full day, and half day rates would only apply during Summer Programs, breaks or days off of school. Otherwise, the hourly rate applies on all typical before and after school care days during the school year for School Age children (Kindergarten - 8th grade)**

****Drop-In Rates apply only to those children who are not a regularly scheduled enrollee and therefore, have not paid a Registration Fee.**

*****Add-On Rates are defined as either a) a day of care added on which is not typically part of a child's consistent schedule (this applies only to Infants, Toddlers, or Two's/Young Three's) or b) a day of care which is added after a billing statement has already been prepared for the period during which it occurs (this applies only to children scheduled on a month-to-month basis in the preschool and older classrooms).**
